#### ORDERING INFORMATION

We carry significant stock of many items, so are able to despatch orders promptly. Please ask for price and delivery for larger quantities.

Standard delivery is by carrier within the UK or FedEx Economy within Europe and Airmail for the USA. Other locations, please contact us. For small orders the charge for delivery within the UK is £12, Europe €25 and USA \$20. For larger orders we reserve the right to quote a special delivery price. Delivery by your preferred carrier can also be arranged if required, and this would be to your account.

All of our products are sent with a Certificate of Analysis and Safety Data Sheet.

Orders can be placed by e-mail, phone, or online whichever is more convenient. Please provide: Product Name, Quantity (and pack size), Purchase Order Number, Delivery Address, Invoice Address, Contact Name, Telephone Number, V.A.T. Number (where applicable) and required delivery date.

For UK customers prices exclude V.A.T. and this will be added at the standard rate prevailing unless an exemption certificate is provided. Other EU customers must supply their V.A.T. Number. For markets outside of the UK, duties and other local taxes that might be payable directly by the buyer are not included.

Our normal trading terms are 30 days from invoice. Special terms must be agreed in advance. In certain circumstances we reserve the right to sell goods only on the basis of a pre-paid pro-forma invoice. UK customers should pay either by bank transfer or debit/credit card. For non-UK customers, the preferred method of payment is bank transfer with charges to your account. Alternatively, we can accept payment in GB pounds sterling by debit/credit card.

Currency conversions may be subject to change.
